Adham Dababneh is a designer, an animator, and a technical managerial director who previously practiced design and printing techniques in the same fields. Adham received his BFA (bachelors of fine arts) in graphic design from Amman Ahliya University in 2005.

During this time, adham was gaining the knowledge and experience at his family business, printing press company; Fast Print as he started working with his father Francis Dababneh at their company from design, to production and now as deputy director.

Adham's ambition didn't stop him from completing his studies, as he earned his MBA (Masters in Business Administration - Int'l Business) which helped him improve his managerial skills and help his father in improving the work quality and profit. His Higher Diploma in Digital 3D Animation which helped him bring new creative ideas to the company.
